COFFEE AND CHAT
FOR COCHLEAR IMPLANT PATIENTS, POTENTIAL PATIENTS AND THEIR FAMILIES

Coffee and Chat is an informal meeting with a cochlear implant user. There is no cost for this appointment.

If you are considering getting a cochlear implant, you probably have a multitude of questions. This is your opportunity to talk to someone who has a cochlear implant and ask the questions that no one else can answer.

Bring your family and friends, too. They are an important part of your support team and need to know what to expect.

Appointments offered:
First Wednesday of every month
10 to 11 a.m.

Schedule appointment:
Email hearingchat14@gmail.com
